

Heronsgate Primary School Newsletter

We discover and realise the genius in everyone!

Dear Parents...

The final half term of school will provide us with an opportunity to welcome you to school to a number of occasions, including sports day and various Year 6 performances. Please do look out for further details on these and other events, including on our school website which gives a glimpse of the many enrichment activities which take place.

A highlight thus far this term was our 'Careers Day' for Year 6. This was an opportunity for our older pupils to take a glimpse at the life of work and careers. We hope this inspired them to think of their future goals and the work needed to get there! We thank all local organisations including Peabody and some parents who gave up their time to talk about their jobs and responsibilities.

Best wishes

Mr Hafeez Khan & Mrs Shahnaz Ahmed

VALUE FOR SUMMER 2: COOPERATION

Our children develop excellent cooperation skills. They enjoy learning together and value the views that others bring to a task.

Year 6 Careers Day

Year 6 enjoyed an incredible careers day. They were inspired by a doctor, a paediatric nurse, West End actors, a PE teacher, a plumber, a production assistant at Penguin House, construction workers as well as a many more. They were then motivated to think about their own career goals and aspirations and created steps to success posters to help them achieve their dreams. Year 6 realise in order to be successful they need to work hard and what they do now in their education matters!

Spelling Bee Finalists

On Thursday 15th June, the Heronsgate Spelling Bee finalists entered a Spelling Bee competition against 5 other local schools, each vying for the Spelling Bee crown. It was a very close-run final and, after all the rounds were finished, Heronsgate was in joint 2nd place. Congratulations to all our finalists on your amazing success!
